### KIOSKS

Kiosk locations are free-standing, stationary merchandising structures that are provided by the tenant and are placed in common area locations with high foot traffic. The kiosk can be either unmanned non-digital kiosks used for promotional messaging or manned kiosks setup providing businesses with cost-effective ways to display and sell products. Some benefits of kiosks are low start up costs, minimum overhead, and great exposure.

### ACTIVATIONS & EVENTS

We'd love to be the venue for your displays, brand activations, events, product drops, workshops and more. In this era of social media and constant digital connectivity, it is becoming increasingly hard to grab the attention of people.

Event Activation gives you that extra 'Wow' factor. Brands can activate in key areas with the highest traffic and rich engagement to secure a longer-term emotional connection between the brand and the customers.
